OASIS_OPERATIVE

Contenitori free-standing attrezzati ed accessoriati, concepiti per diventare isole di lavoro in grandi spazi comuni, dove isolarsi o interagire, individuando la postazione più consona alla necessità lavorativa del momento.

Freestanding cabinets, racks and shelves are fully equipped and accessorized, conceptualized to become work islands within large common areas, where one can be isolated or integrated, identifying the place that fits the most into the work needs of the moment.

Samostojeći ormani i komode, potpuno opremljeni i sa svim dodatnim elementima, osmišljeni su kao radna ostrva u zajedničkom velikom prostoru, gde je moguće izolovati se ali se i integrisati, tako što će se odabrati položaj koji najviše odgovara radnim potrebama u datom trenutku.
